

ALUMNI DEMOGRAPHICS

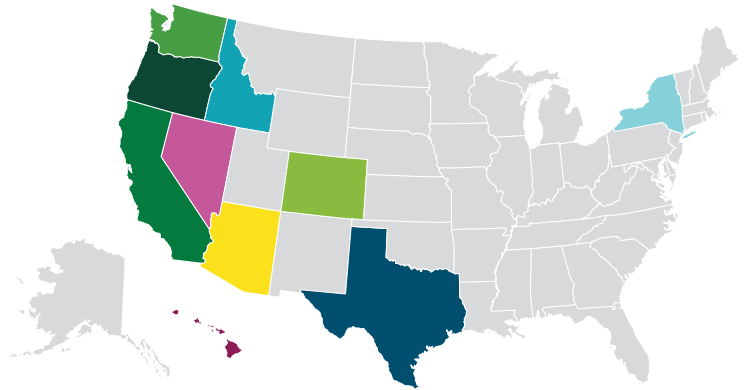

The demographic information was drawn on 8/1/2021

ALUMNI BY ETHNICITY

*Over half of all alumni have self-reported ethnicity data to the university, but much more data are available for recent alumni, and recent classes are far more diverse than earlier ones. Because of this, alumni with unknown ethnicity are presumed to be primarily White/Non-Hispanic.

TOP 10 U.S. STATES

- | | |
|-----------------------------------|-------------------------------|
| 1. OREGON 103,723 Alumni (54%) | 6. TEXAS 2,986 Alumni (2%) |
| 2. CALIFORNIA 29,103 Alumni (15%) | 7. IDAHO 2,384 Alumni (1%) |
